

The “Miss Dorothy” Heart Award

For Passion and Excellence
to the Wedding Industry

Miss Dorothy, Master Bridal Consultant, was an ardent supporter of the Association of Bridal Consultants (ABC) and advocate of participation in the annual conference. Her philosophy on the wedding industry was simple. “You have to have heart, and to do it with a passion so strong it becomes you. You live, breathe, eat and sleep this industry.” She believed members should be passionate about the industry, willing to share and cooperate with other members, attend local ABC meetings and recognize the value of the annual conference.

Has another association member helped you and your business? Show your appreciation by nominating that member for the Miss Dorothy Heart Award! The award is for passion and excellence to the Wedding industry, and is the most prestigious award presented by the Association of Bridal Consultants.
